DECC Special Meeting *FOR*

Refugee Week!

Thursday 27 October 2005

(6.00pm for Light refreshments)

Meeting Starts 6.30pm to 8.30pm

Function Room, Level 1, 350 High St Preston

This week is refugee week. DECC is inviting two speakers with first hand experience of coming to Australia under such taxing conditions.

Many changes have occurred in Australia's refugee policy over the past 30 years, and our two guest speakers through their personal life stories will highlight the similarities and differences that have occurred over that time.

Our first speaker will be a recently arrived Asylum Seeker from the Asylum Seeker Resource Centre in Darebin. She will be talking about the experience of travel and settlement in Australia under the current political climate.

The second speaker will be a refugee that arrived in Australia in the 1970s.
