BREAKFAST WITH LAILA AL-QATAMI

Laila Al-Qatami at Breakfast Seminar

On the 15th of December 2005, the City of Darebin hosted a breakfast seminar with Guest speaker, Laila Al-Qatami, Director of Communications at the American-Arab Anti-Discrimination Committee in Washington DC. Laila gave an engaging presentation outlining her organisation's role, the profile of American-Arabs, the climate in the US post September 11, and the impact of the Patriot Act on Americans of Arabic background. Laila commented that the current Australian Anti-Terror legislation is inherently similar to the Patriot Act and will more likely target and impact negatively on Arab and Muslim communities. Like the Patriot Act, the Anti-Terror laws pose a threat to civil liberties by giving law enforcement authorities unfettered powers in investigating terrorist related activities.

Laila explained that a major component of her organisation's role was to legally represent clients in cases of discrimination, racism, and breaches of human rights.

LANGUAGE AIDES GET A HEARING

On 9 December 2005, twenty City of Darebin Language Aides were whisked away on a trip to Sorrento where a combination of training and evaluation of the Language Aides scheme were undertaken.

The trip enabled the Language Aides, especially those from Customer Service area, to reflect on how the scheme was operating and how it can be improved.

The Language Aides received a refresher session on their role at Council in assisting with communication with Non-English-Speaking Citizens.

Recommendations for action to improve the system were taken on board and included changing the time of the bi-monthly meetings to occur after hours to enable Customer Service Officers to attend the meetings which they have missed in 2005, rolling out information session across the Council on the role of language aides and the Multilingual Communication Service, reviewing and updating the Language Aides Policy and Guidelines.
