

## **Fostering Multicultural Values in Darebin**

### DECC Meeting held Thursday 16 June 2005

The last DECC meeting was Darebin CEO Phil Shanahan's going away party, and because of this there were no minutes recorded. The party was a great success with wonderful food and drink and hilarious entertainment provided by The Signoras. It was a fitting end to Phil's excellent work at the City of Darebin and with DECC. We wish good luck to Phil in the future, and hope that the next CEO will be able to work with DECC at a similar high level.
